

How To Create Your Appendix A Table from the HAPI Database for Your Semi-Annual Report

National Council on Aging

October 30, 2023

Guidelines for Preparing Performance Reports

All CDSME and Falls Prevention ACL grantees are required to submit a report to ACL on a semi-annual basis.

Detailed guidelines for this report can be found here:

<https://www.ncoa.org/article/acl-grant-reporting-requirements-for-chronic-disease-self-management-education>

You will need to generate and export a table from the Healthy Aging Program Integrated (HAPI) Database that you will include with your report to ACL, referred to as 'Appendix A.'

The screenshot displays the NCOA website page for the article "Prepare for Your Semi-Annual Administration for Community Living Grant Reports". The page features a dark blue header with the NCOA logo and navigation links for "Older Adults", "Caregivers", "Professionals", and "Advocates". A search bar and a "Donate" button are also present. The main content area includes the article title, a sub-heading "Guidelines for Preparing Reports", and a PDF viewer. The PDF viewer shows a document with the text "Guidelines for Preparing Performance Reports for Discretionary Grants Supported by the U.S. Administration for Community Living" and an OMB Approval No. 0985-0006 with an expiration date of 4/30/2021. A vertical share menu on the right side of the page offers options for Facebook, Twitter, LinkedIn, Pinterest, and Email.
